

EASY CONDENSED MILK ICE CREAM

This recipe is so easy to make and is sure to satisfy even the sweetest tooth!

EASY

5 MINS

NA

4

Ingredients

- 600mL thickened cream
- 395g Nestle Condensed Milk
- 2 tsp vanilla extract

Instructions

1. Beat the condensed milk, cream and vanilla in a large bowl using an electric mixer for 3 to 4 minutes until mixture forms soft peaks.
2. Transfer to an airtight container and freeze until solid.
3. Serve with your favourite topping.
