Ingredients

- 4 cups seedless watermelon, roughly chopped
- 1 cup sparkling apple juice
- 1 lime
- mint leaves

Instructions

1. Add roughly chopped watermelon, 2-3 mint leaves, 2 tbsp lime juice to a blender and blend until you reach a smooth consistency.
2. Optional: strain if you desire a smoother juice.
3. Pour juice halfway of cocktail glass over several ice cubes and top with sparkling apple juice.
4. Garnish with additional mint leaves and lime slices.

Cut any leftover watermelon into cubes and freeze to make watermelon ice cubes.

Swap watermelon with passionfruit or any red berries for an alternative take on this summery mocktail. Or add a splash of vodka (adults only)
